Alexandria, VA 22313-1450

Certificate
JAN 24 2007
of Correction

Sir:

The following mistake appears in U.S. Patent No. 6,951,904:

At col. 40, line 23, change “(nonyl)perbenzoate” to --(nonyloxy)perbenzoate-- (per Amendment & Request for Continued Examination, page 5, claim 4, line 11, dated 4/3/03).

It is submitted that this mistake does not appear in the application as filed or as amended. Hence, it is a mistake incurred through the fault of the Patent and Trademark Office and not through the fault of the applicant.

This mistake is such that the meaning is not obvious from the context and is believed to be of sufficient importance to warrant the issuance of a Certificate of Correction. Hence, we hereby request that a Certificate of Correction be issued to cover same.

JAN 24 2007

The text of the correction requested is set forth on a special Certificate of Correction form, PTO/SB/44 (04-04) submitted herewith.

Respectfully,

GARY PEETERS ET AL.
